TAKE YOUR CHILD'S IMAGINATION ON A FOOD JOURNEY WITH ASPENS

Aspens has been chosen to provide the meal service at your child's school. Take a look below for a glimpse at a typical menu.

FRESH THINKING AND HEALTHY EATING

We take our responsibility of catering for today's children and young adults seriously. Our dishes are prepared fresh every day, using high-quality, seasonal ingredients that are responsibly sourced. Our trusted suppliers and traceable supply chain can ensure the provenance of all produce.

Our dishes are created and served by experienced and enthusiastic teams who care about both what's on the plate and the message behind it.

It's about helping children build a positive relationship with eating, and supporting their ongoing food and nutrition journey.

MEANINGFUL MEALTIMES

We believe school meal times are the best time of the day and a chance for children to eat nutritious and delicious food, learn and create great school food memories.

What really brings the dining experience to life are our fun and engaging theme days! Based around school curriculum topics to enrich your child's learning and support the wider school experience.

Our staff may dress up and decorate the counter to serve something deliciously different on the menu - as the provider we are proud to play a part in your child's school journey!

MORE THAN JUST GREAT TASTING FOOD

Choosing a school meal for your child can make a real difference - not just to their health, but to their whole school experience. When children eat the same meal as their friends, they're more likely to try new foods, feel more confident and it's a great opportunity to socialise and feel part of the school community.

School meals provide the fuel children need to concentrate in class, stay focused, and feel ready to learn. That's why we're proud to serve fresh, nutritious meals every day - giving your child the fuel they need for a great day at school.

SPECIAL DIETS AND FOOD ALLERGIES!

Don't worry if your child has a special diet, allergies, intolerances or dietary needs due to religious or cultural reasons - this is an important part of what we do. We already cater for lots of children with dietary requirements and follow strict food safety procedures.

We are proud to be a Corporate Partner of The Natasha Allergy Research Foundation. It is the only UK-based charity that funds medical research into the causes and preventions of food allergies. The mission of the charity is to make allergy history - starting with food allergies.

MEET THE PLANET HEROES

Our Planet Heroes are here to make every school meal a powerful step toward better health and a better planet. These mighty heroes spotlight dishes packed with our nutritious choice, made from low CO₂ ingredients (tracked through the Klimato scale), plant-based or energy-efficient eats.

When your child chooses a school meal, they're joining a mission to make smarter food choices, support sustainability, and build habits that last a lifetime.

Making Every Bite Count!

Want to make a big difference with your meal today? Come try a dish, especially those rated 'A', 'B', or 'C'!
