

8<sup>th</sup> January 2021

Dear Parents and Carers,

I hope you and your families are doing well during this challenging situation. I want to start by thanking you all for your support in ensuring the children are taking part in the Nursery remote learning and for sharing photos of the activities they are completing.

Following the update from the DFE and the Government's decision to open Early Years settings, Nursery at Barham primary school will re-open on Wednesday 13<sup>th</sup> January 2021 at 8.45am.

It is however clear that the government believes that to prevent the spread of the virus the more families that can stay at home, the better. So far, many parents have chosen to keep their children safe at home, therefore we will be opening the 3 hours provision over one morning session 8.45am-11.45am. Children who attend PM sessions normally can attend the morning session until schools return into normal opening measures. As nursery is non statutory, if you keep your child at home until this date, this will not affect your child's attendance or place.

In order to organise staffing and provision accordingly, please click the link below to let us know if your child will attend or not.

Thank you for your continued support.

Kind regards,

Ms Giles
