

28<sup>th</sup> May 2021

Dear Parents and Carers,

I hope you and your family are safe and well. Thank you for your continued support in ensuring we all are safe, happy and learning.

Please remember that whilst we are adhering to the Government roadmap out of national lockdown, due to the variants of concern that are being transmitted at present, as a school community we are still making sure we do the following until further notice, even beyond 21<sup>st</sup> June:

- Continue to **wear a face covering** and **maintain social distance** when dropping off and collecting your children
- Continue to use the **Lateral Flow Tests** which have been issued to the community, twice per week, if you have no symptoms.
- If you have any COVID-19 symptoms, please arrange for a **PCR test** (you can call this number to arrange one locally 0208 937 4440) Please email the result as soon as you have it to [admin@barham.brent.sch.uk](mailto:admin@barham.brent.sch.uk)
- If you, or any person in the household tests positive, **please keep your children at home** and notify us for further details
- Please adhere to Government travel and quarantine guidelines as well as our leave of absence procedures. Our excellent attendance figure of 97% this week can only be maintained and improved if your children are here every day and **holidays are taken during the school holidays**
- If we need to close a class bubble, please ensure your children fully engage in the **remote learning** provided by their class teacher
- It is important that we all work together to close any gaps in learning by **completing all home learning fully and on time** as well as working hard at school.

I hope you have a good half term break and we look forward to seeing you all on **Monday 7<sup>th</sup> June**.

Kind regards,

**Karen Giles**  
Headteacher
