KS1 SATS

What are Sats?

At the end of Year 2, children in England sit national tests in the following subjects, the results are used to measure the school's performance:-

\*English – Reading \*Maths – Arithmetic & Reasoning

These tests reflect the updated national curriculum and are marked using the current grading system, which now replaces levels.

### Paper 1

Reading booklet with questions and answer spaces combined.

(Texts totalling 400 – 700 words)

# Paper 2

Reading booklet with a separate booklet which has the questions and answer spaces.

(Texts totalling 800-1100 words)

Each paper for the KS1 Reading SATs is worth 50% of the available marks.

5.

### English – Reading Paper 2 Example Pages

Paper 1 Arithmetic

> (25 marks available)

Paper 2 Reasoning, problem solving and mathematical fluency

> (35 marks available)

### Maths Paper 1 Example Pages (Arithmetic)

#### Maths Paper 2 Example Pages (Reasoning)

5

13 Amy makes 25 using different shapes for tens and ones.

Amy makes a new number.

What is Amy's new number?

Kemi makes a pattern with sticks.

Some are long and some are short.

She writes a number pattern on the sticks.

Write the number that will be on the next short stick.

#### Some examples..

### Teacher Assessment/results

KS1 SATs tests are **one** part of evidence towards **the whole teacher assessment**.

They are marked in school, and an overall grading based on the whole year's work will be made.

The results of the SATs tests are reported to the Local Authority.

Moderation often takes place to ensure consistency across schools.

# Reports

#### **Reporting to Parents**

Although we do not report the SATs scores to parents, we will use your child's results to inform our teacher assessment of their progress and attainment during their time in Year 2. This will be shared with you in your child's end of year report.

Working below the expected standard (not working within the Year 2 Curriculum).

<u>Working towards the expected standard</u> (some of the learning is within the Year 2 Curriculum).

Working at the expected standard (All learning is within the Year 2 Curriculum).

Working at greater depth (very secure in Year 2 Curriculum)

- <u>Help your child with reading</u>, listen to them read and focus on bringing out a 'love of reading'. Also reading stories to your child allows them to develop language, listening skills and comprehension. Encourage making predictions of what might happen next.
- <u>Help your child with writing</u>, support with weekly spellings. Write together to make shopping lists and letter writing.
- <u>Help your child with maths</u>, play times table games. Encourage them to help with cooking, weighing and measuring ingredients. Work out what time it is together. Provide opportunities for your child to pay for things in a shop, to work out how much things cost and how much change will be needed.
- <u>Reduce anxiety</u>, by ensuring your child has a good bedtime routine, do not talk too much to your child about the tests and reassure that they have done all they can to prepare.

- In Year 2 the KS1 tests can be completed throughout May
- Barham Primary School aim to do the tests with your child w/c 16<sup>th</sup> May
- Your child may not necessarily know they have taken the test as we try to ensure that it is part of daily classroom practice
  - If your child is unwell please contact the school office as soon as possible
