

My name is \_\_\_\_\_ and I  
go to Barham Primary School.

My school has had to close all of a sudden.

This can make me feel worried, scared, sad or anxious.

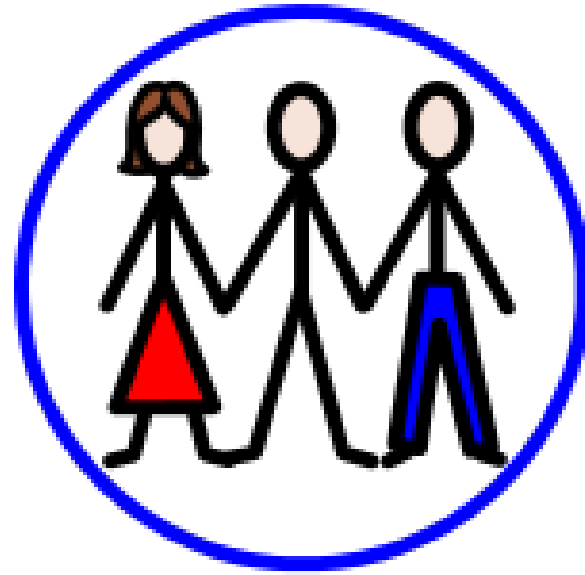

I don't need to worry. Everyone at school is okay 😊

I am going to stay at home while school is closed.

At home, I can talk to my family if I need to.

When school opens again, someone will call and tell my family.

I will be happy to see my friends and teachers again.
