

Dear Year 5 Parents,

In the case Barham has to temporarily close down in the near future, we have prepared some links to online learning platforms for your child to continue their learning at home. Your child has/ will have login details for all these websites.

<https://www.mangahigh.com/en-gb/>

On Mangahigh your child will be able to access tasks set by their maths teacher and access additional tasks on topics they feel they need more revision on.

<https://www.spag.com/>

On spag.com your child will be able to access tasks based upon spelling punctuation and grammar (SPAG) that are set by their class teacher.

<https://www.purplemash.com/login/>

Purple mash is an online learning platform where your child can access writing tasks based upon topics that they have been studying at school. For example; creating a newspaper article based upon the Anglo Saxons.

There are many other resources to access on the Barham website to support your child's learning. They can keep up to date with their reading by using the online versions of our core texts on the 'Year 5 Destination Reader' part of the website <https://www.barhamprimary.co.uk/read5>. In addition, your child's topic work will be uploaded on the system. This requires them to do several small projects based upon the Anglo Saxons. Not too dissimilar to their holiday homework on the Mayans last year!

In addition to this work, the children will be set further tasks to complete according to the timetable we have set. Thank you for your continued support,

The Year 5 Team

Day	8.45-9.45	9.45-10.45	10.45-11	11-12.15	12.15-1.15	1.15-2.15	2.15-3.20
Monday	8.45-9 Silent Reading	Maths (Choose a topic and complete the tasks)	Purple Mash Activity	B R E A K	SPAG test questions AND SPAG.Com assignment	L U N C H	Anglo Saxon Topic Task
Tuesday	8.45-9 Handwriting Practice	Maths (Choose a topic and complete the tasks)	Purple Mash Activity		SPAG test questions AND SPAG.Com assignment		Anglo Saxon Topic Task
