IMPORTANT INFORMATION

Your child has brought home their end of year report. Please read this carefully.

You will see that as well as informing you of your child's progress and attainment this year we also show the following;

Attendance: The expectation is that children are in school every day unless they are unwell.

Punctuality/Lates: Children must be on time for school every day, equipped and ready to learn.

Help that can be given at home: We ask that this is done on an on-going basis throughout the academic year. It is also very important this is done during the summer holidays so they can start in their new year group in September as well equipped as possible.
