

23rd January 2017

Dear Parents and Carers,

Barham Primary School is exploring the idea of launching a new after school programme that would provide **extended childcare services on the school site until 6pm each day**. This service would be delivered by an external provider – Let Me Play.

Let Me Play is a specialist youth provision organisation that works with over 50 schools in London delivering a variety of programmes and activities. Local schools they are currently working with include Elsley Primary School and WHTC Primary School.

Let Me Play's **Ofsted Registered Wraparound Care Programme** supports schools in providing a vital service to parents. The programme combines an offer of specialised activities along with more general play based activities. Some of the key features of the programme include:

- **Specialist Activity Provision** – Including Sports, Creative Arts & Performing Arts sessions.
- **A healthy snack** – Served at 4:30pm for those staying on for the extended programme.
- **Flexible booking options** – A variety of different options available each day including an ad hoc booking service.
- **Discounted rate for Siblings** – 25% off each additional sibling booked on.
- **Online booking system** - Let Me Play can provide support with this.
- **Variety of payment options** – Including monthly instalments and payment by Childcare Vouchers/Tax Credits.

Places on the programme would be limited and offered on a first come, first served basis. There is an expectation of a **termly** commitment to places- this is not a pay-as-you-go service. To register your interest and provide us with more information about what you would like to see from a Wraparound Care programme at Barham Primary School **please can you complete the attached Expression of Interest Form and return this to the school by Friday 27th of January.**
