Suggested activities you could do over the weekend

- *Visit the library and let them choose books.
- *Talk to your child about what they enjoyed this week
- *Watch the Book of the Week on YouTube
- *Encourage them to make lots of marks in a variety of ways.
- *Go on a shape hunt. How many rectangles, circles can you find?
- *Help them practise wearing their own clothes, such as their coat and shoes.

Reminders:

Please make sure you send your child to school with a coat. It is starting to get cold and the children go outside in all weathers.

*Please remember all children need a bag with spare clothes.

All items should be clearly labelled. Please include a pair of plimsolls or spare shoes

*Please do not send any food in your child's school bag. We have children with severe allergies. We will provide water, milk and a snack.

Have a lovely weekend
